Award level:						Grand total	7500

Below is specific information to help you understand the criteria and exactly what data will be used to determine the three levels of performance. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal-planning.

Scoring the lodge's performance

To qualify for silver or gold points within an individual criterion, a lodge must have completed the lower level criterion (*e.g.*, to qualify for silver level in item number 1, a lodge must have completed the bronze level in that item).

Overall award levels are determined as follows using the grand total points earned:

- **Bronze** = at least 1,450 grand total points
- **Silver** = at least 2,150 grand total points
- **Gold** = at least 2,650 grand total points

Amplifying instructions keyed to item numbers above:

2. Contributions are to be in either cash (*e.g.*, an FOS contribution to the council) or materials. In the case of materials, the value should be determined on the basis of current market value or the value determined by the Scout Executive.
5. All troops and teams must have been contacted and given the opportunity to request an election. Election team members must be trained youth Arrowmen, in proper uniform during each unit election, and must be from units other than the one for which the election is being held.
10. Lodge representation at all national events is not required. The intent of this criterion is to encourage lodges to set and meet a goal for participation in as many national events as they can support. Attendance at an OA High Adventure program can qualify under this item. Because quotas to section and national events can vary from year to year, each year's goal should be set such that the lodge leadership considers it more challenging than the previous year's goal.
13. Scout Executive designated projects are to be developed during a meeting with the lodge Key 3 with consideration for both the current local council and national Order of the Arrow strategic plans.
15. What constitutes an acceptable contact under this category is determined by the Scout Executive or the council's camping committee if delegated by the Scout Executive.
